3	Assistant General Manager, BSWML		Sri. Santhosh Kaddi
4	Assistant Manager, BSWML		Sri. Neelesh Kumar

AGENCIES PRESENT:

1	M/s.MR Construction
2	M/s.OM Aparajithe Solid Waste Management LLP
3	M/s. Priya Engineering Projects Private
4	M/s. Sanjay Marketings

****

Chief Engineer& Chief General Manager (Tech) BSWML welcomed all the officials and the representatives of the agencies/ firms for below works for which pre- Bid meeting was called. Representatives of various companies as above were present in the said pre bid meeting.

The queries/clarifications sought by the agencies with regard to bids invited, were received in writing / e-mail & through KPP portal. The clarifications are issued according to the tenders invited as under: -

Name of the Project: 1.Construction of MRF sheds at Doddabidarakallu (Package –P1)
2. Construction of MRF sheds at Subbarayanapalya (Package –P2)
3. Construction of MRF sheds at Tarahunase (Package –P3)

Sl. No	Tender Doc Ref	Query Raised	Clarifications/Amendments issued
1.M/s. M R Constructions			
1		1. Electrical Works: The RFP does not specify the required electrical load, power consumption of the machinery, transformer capacity, BESCOM requirements, or capacitor requirements. As only 5% of the project cost (Lumpsum not even 5%) has been earmarked for electrification, transformer, BESCOM, etc., we are	Refer Addendum-1

Chief Engineer &
Chief General Manager
BSWML

		unable to accurately assess and quote the electrical works. Therefore, we request you to kindly provide details regarding: o Connected electrical load required for the plant and machinery. o Power consumption of each machinery. o Required transformer capacity. o Capacitor requirements and other BESCOM-related provisions.	
02		Critical Equipment - Crane: The structural steel work involved in the project is approximately more than 1000 MT. Execution of such work requires deployment of a suitable heavy-duty crane. However, no specific crane has been included under the list of critical equipment in the RFP. Hence, we request you to kindly include an appropriate crane in the list of mandatory critical equipment in the RFP and as per the PWD circular dated: 17.11.2014 for the construction of the building tender inviting authority must provide construction elevator/tower cranes.	Tender conditions Prevail
03		Critical Equipment - Tippers (Package-03): For Package-03 (Tarahunase), the RFP requires ownership of four (4) tippers as critical equipment. Since extensive construction activities are at the same site within one boundary, the requirement of four owned tippers is not practically necessary. Therefore, we request you to kindly reduce the minimum requirement from four (4) tippers to two (2) tippers for this package.	Tender conditions Prevail
2.M/s. O M Aparajithe Solid Waste Management LLP			
04		The representation requesting your kind consideration to grant relaxation to permit participation in the tender for the Construction of MRF Sheds at Subbarayanapalya/ Doddabidarakallu/ Tharahunase through a Joint Venture (JV) or Consortium. The proposed work requires technical expertise, financial capability, and adequate resources. While our organization possesses the necessary	Tender conditions Prevail

Chief Engineer &
Chief General Manager

		capability to execute the work successfully, participation through a Joint Venture/Consortium would enable us to combine the technical experience, financial strength, and specialized resources of the partner organizations, thereby ensuring efficient and timely completion of the project. Allowing participation through a Joint Venture/Consortium will enhance competition, encourage the participation of competent agencies, and provide BSWML with more competitive and technically qualified bids, resulting in better value and successful execution of the project. We therefore request your good office to kindly consider granting relaxation in the tender conditions and permit bidders to participate through a Joint Venture or Consortium, subject to compliance with all other applicable tender conditions and contractual obligations.	
3. M/s. Priya Engineering Projects Private			
05		Request for mobilization advance	Refer RFP Page no.36 Section 06:Contract Data
06		Qualification Criteria. Contractor Shall be fit and has done all Civil or in BSWML department only Works to be Clarified.	Refer Addendum-1
4. M/s. Averon Infratech Private Limited			
07		Consideration of Key quantities of Structural steel and TMT Steel as single item	Refer Addendum-1

All the bidders are requested to participate in the bidding process and further the bidders are instructed to note the above clarifications/amendments issued.
